

The George Green Rally
Monday 21 – Friday 25 October 2024

On behalf of the committee, I extend our collective thanks to Rex and Norah Vincent who have volunteered to run the George Green Rally this year. Rex and Norah have organised other very successful events and we are very grateful to them. Over to Rex and Norah...

The prince of Touring, our very own Tubby, has agreed to map out great drives around the Hunter Region and we have excellent restaurants with which we are currently negotiating.

Complete Tour details for this 2024 George Green event with the booking form will be released by the end of July. However, **to secure your rooms it is important to book now.**

Situated next to this motel is the Bowling Club, which offers several dining options. There is also a Hotel close by.

About the venues

The venues that we have chosen have up to 40 rooms, parking at your door and are reasonably priced at approx. \$150 per night. They also have restaurants in-house or within easy walking distance to avoid after-dark busing.

IMPORTANT: Motels no longer accept bulk bookings, but **you can secure the rooms now with a phone call**. They will also accept cancellations prior to arrival, so you can cancel in an emergency.

Please secure your rooms now.

Once you have booked, please email Rex and Norah at rexvincent1940@gmail.com so they can keep the 2024 George Green Rally register up to date.
